Last Friday we had a visit from Queen Elisabeth II.

<https://sherylface.com/> - guest visitor from the USA. Thank you to Victoria Burton who has been life-long friends with Sheryl for organising such an experience for the children.

The show was an incredible educational and emotional experience for our children and staff, bringing history to life in such an engaging way. Sheryl absolutely captured the essence of Queen Elizabeth II's life and legacy, from her early years to her reign as the longest-serving monarch in British history.

The children and staff were captivated by the backdrop interactive element of the show not to mention the numerous costume changes. Sheryl kept the audience engaged throughout with her enthusiasm, accuracy, creativity, and attention to detail. The composer of Sheryl's music, Scooter Perrotta, has been the assistant director on blockbusters such as Pirates of the Caribbean and Mission Impossible.

Our children and staff came away with a greater understanding of the Queen's significant role in world history, and we are honoured to have hosted Sheryl's first performance as Queen Elisabeth II in England. Long live the Queen!

A fabulous live call with Lord Storey, who answered questions from our Pupil Parliament members. He told us about the workings of the House of Lords, including the dress code, where he's allowed to sit, and the cafes! He gave us some great advice on how we can improve our Pupil Parliament too.
