A Heartfelt Thank You for the Christmas Story Service in church  
2024

Dear Key Stage 2 Staff,

I wanted to take a moment to extend a huge thank you to all of you for your incredible dedication and care in organising each part in our Christmas story service at church with your own classes. The children's singing was truly magnificent, and the choir's performance was nothing short of magical to behold. The service brought so much joy to everyone present, and it was a beautiful way to celebrate the lead up to Christmas.

Your efforts not only brought the Christmas story to life for the children but also created a warm and joyful atmosphere for their families. I am so grateful for everything you do for the children at St Peter's.

Wishing you all a very heartfelt Christmas! Please remember to take care of yourselves and each other during this special time of year. With gratitude and warm wishes,

Mr Tomlinson

Most of all, thank you for your unwavering support for each other. Creating such an extraordinary ethos and culture doesn't just happen – it takes the effort and commitment of everyone. Wishing you all a wonderful festive season!"

Freyja and Jakob were helping Santa at Radcliffe Olympic Christmas party this week and also there is a brilliant article on Jakob and him participating in the YEL league as ROfo's youngest ever player.

In each edition of The Olympian we intend to include a quick Q&A with a different person involved with ROFC – it could be a player, a coach, or a volunteer. In both of our previous two editions we've featured adults connected with the club, but this time we're throwing the spotlight on a child – in fact, a boy who we believe is the youngest child ever to play competitive football for the club!

This season we entered new territory as a club by registering U7s teams to play in the Young Elizabethan League for the first time. Jakob Bendelow is part of our U7 Tigers team – however, he had to wait until his birthday in October before he could play for the team, as under FA rules children can't be registered to play in matches until they turn 6. Jakob however has got off to a flying start in his first few weeks and is already banging in the goals for the Tigers! We asked him how it's going so far...

**Hello Jakob! What's the best thing about playing football for Radcliffe Olympic?**

I love playing football with my friends.

**Your Dad, Paul, runs the U7 Tigers. What's it like having your Dad as one of your coaches.**

Great as I get to play football all day every day!

**Which grown-up team do you support & who's your favourite player?**

My favourite teams are Liverpool and England. My Favourite player is Mo Salah.

**What's been your favourite moment from all the matches you've played for Radcliffe so far?**

My favourite moment is one of my goals. It was a top bins free-kick against Wollaton when my mum and sister were watching.

*Big thanks to Jakob for answering our questions. If*

## HELPING SANTA

## FOOTBALL

A couple of weeks ago, Luca was awarded the 'Player of the Match' trophy for his great listening skills, positive attitude, and teamwork. We're so proud of you, keep it up!

## CHARITY COLLECTION

We are incredibly proud of Oliver (Miss Fisher's class) for helping to collect the money with the vale of belvoir lions tonight at the Santa sleigh ride for charity. He collected £61.38 all himself walking miles around the village and in total they all raised over £1000 for local good causes!

An excellent performance by these talented children in their "Perform" end of term performance.
