### Reading Books purchased by you (PTFA) over **£10,000**

As a school we have been steadily increasing our School Library of books. Recently, we have been able to spend over £2000 on junior reading books specially aimed at making advanced progress in reading. In addition, our juniors are trying out a different style of reading comprehension texts, purchased by PTFA funds, to enhance and progress interpretation and inference, as well as grammar, spelling and punctuation.

Furthermore, our Phonics scheme (Little Wandle) is close to completion with over £8000 spent on progressive groups of phonics books for our younger children. We do ask that you return books to school as missing or damaged books results in the entire group of those books having to be shared or we are unable to use the entire group of books because a handful are still at home or misplaced.

**Thank you to our hardworking PTFA and all the volunteers at events.**

### Preschool and Reception learning environment

I just love popping down to 'the old building' to see our Preschool and Reception children in action – I always leave with a smile on my face knowing the children and staff are enjoying learning and working hard together in their first steps in education. There is such an energy, a feeling of togetherness and Take Care, which you can sense just by walking in. This is a credit to the EYFS (Early Years Foundation Stage) staff Team. Also, the warmth of support from parents/carers. So, thank you to everyone involved. Together in Achievement.

### Rotakids (Year 5 opportunity)

This time of year, we start running our Year 5s Rotakids group, part of Rotary International. This is an opportunity for Year 5 children to get together and look at environmental issues impacting our school and our world. Rotakids Vision:

"Taking care of our world."

Our mission is to make a positive environmental impact in our school, community, and globally. Through a combination of shock, information, and persuasion, we will encourage others to think carefully about their environmental choices. We aim to leave a legacy of strong energy-saving habits and create an environment where people feel inspired to care for the planet, spreading a sense of happiness in knowing that their actions make a difference.

<https://www.eastbridgfordstpeters.co.uk/rotakids/>

O Lord  
Bless our school  
Help us to take care of  
ourselves  
Each other, the world  
and with our work.  
Amen.

Preloved Uniform is always available in our 'Preloved Uniform wardrobe' – if you ever require uniform or spare uniform just contact our office and you can drop by to take what you need.

Thank you for your continued support.  
We value your trust in us.  
Don't let issues grow.  
Stay safe. Stay connected.  
Take Care.  
Mr Tomlinson.  
Head Teacher

Take Care

East Bridgford St Peter's C of E  
Academy  
WEEKLY AT A GLANCE:

<https://www.eastbridgfordstpeters.co.uk/stream/newsletters/full/1/-/>

# CEDAR CLASS

'To launch our Frozen Kingdoms topic, Cedar class looked at some mystery substances. The biggest surprise was instant snow!'

# BIRCH CLASS

Exploring Solids, Liquids and Gases and their properties.

## SYCAMORE CLASS

## BEECH CLASS

This week in PE, Sycamore & Beech classes have started their new unit in PE of orienteering. They had to co-operate and work as a team to lower a hoop to the ground, without it sloping or falling off their hands. Some children also provided us with some great warm ups!

# OAK CLASS

In Oak class we have been looking at the weather in Art. We looked at the weather symbols you find on a weather map and created our own Transient art pictures inspired by the artist Andy Goldsworthy.

# WILLOW CLASS

The children in Willow have been enjoying learning about the weather and seasons. Within our art session this week, we made transient art and patterns using a range or combination of human made materials within weather symbols. In particular, we focused on words such as straight, curved, spiral, bumpy and how to improve our designs.

## TABLE TENNIS

Our girls won! They are brilliant!  
 Congratulations to East Bridgford St Peter's CE Academy Girls winning the area semi-finals.

Charlotte has been working hard in gymnastics and we are very proud of her for gaining her Level 8 award. Well done, Charlotte!

## Considerate and safe parking.

No parking or stopping on the yellow zig-zags outside of school.

The school is in support of traffic enforcement. Think before you park outside school, your actions could endanger a child's life.

Thank you for your consideration.

Take Care, Richard Tomlinson. Head Teacher

We have had donated a handful of books for parents to borrow/read. If you'd like to borrow a copy for yourself or your child, please speak to Mr Tomlinson.

1st Shelford & East Bridgford Scouts is looking for Beaver leaders (group is ages 6-8) and Cubs leaders (group is ages 8-10). Please can they contact Steve Cumberland if they are interested?  
[steve.cumberland@notts-scouts.org.uk](mailto:steve.cumberland@notts-scouts.org.uk)

It really is a rewarding volunteer role.
