Canal & River Trust
Making life better by water

Water Safety for the whole school

This week the whole school took part in an assembly promoting Water Safety. Booklets have been promised and should be on the way soon.

Rotakids (Year 5 opportunity)

This year we have had the biggest ever response from our Year 5 children to be a Rotakid. Usually, a maximum of 12 children works really well. However, All 20 who have expressed an interest and completed an application form have been taken on.

Voting and ideas will be discussed soon and the Rotakids project(s) will get underway.

Preloved Uniform is always available in our 'Preloved Uniform wardrobe' – if you ever require uniform or spare uniform just contact our office and you can drop by to take what you need.

Thank you for your continued support.

We value your trust in us.

Don't let issues grow.

Stay safe. Stay connected.

Take Care.

Mr Tomlinson.

BIRCH CLASS

Our landscapes of Rivers and the journey of a River from its source to the mouth.

 **BIRCH
CLASS**

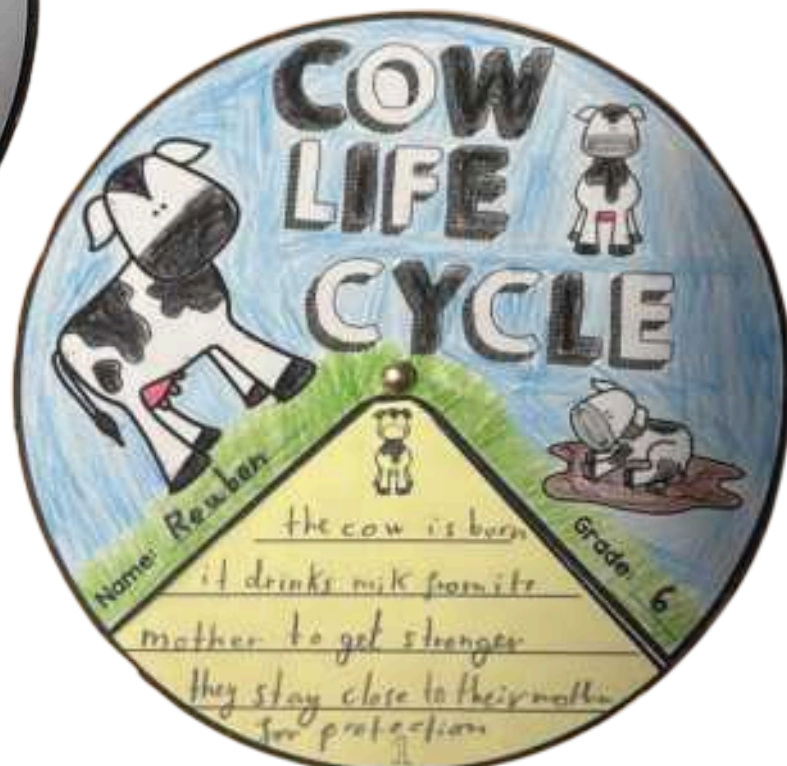

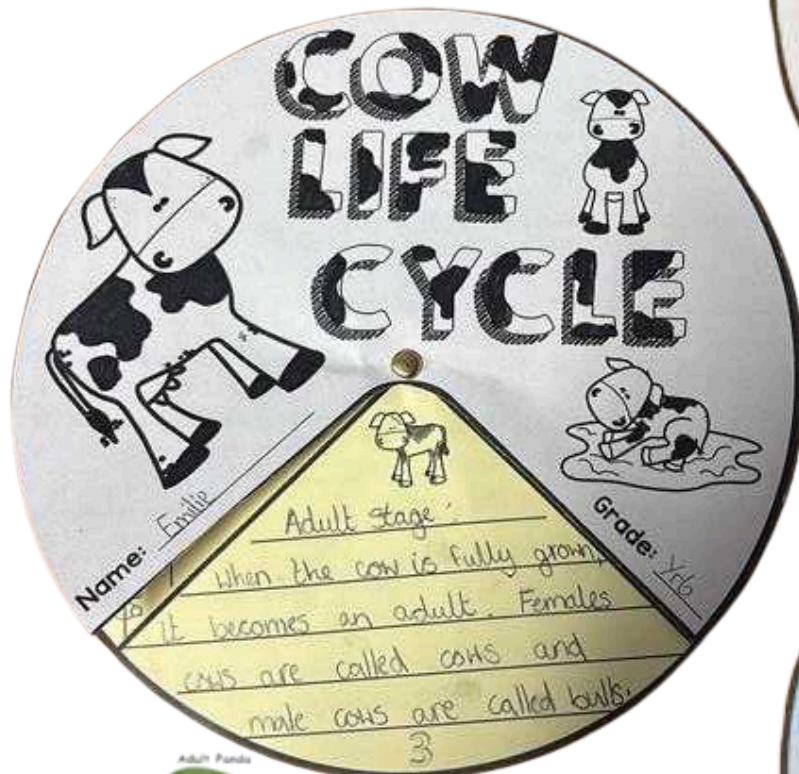

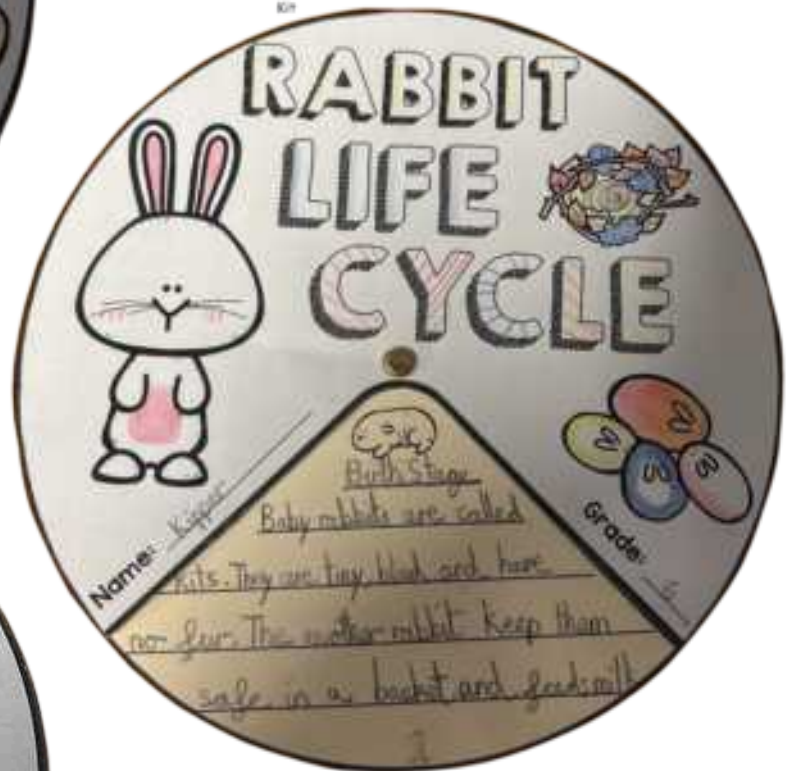

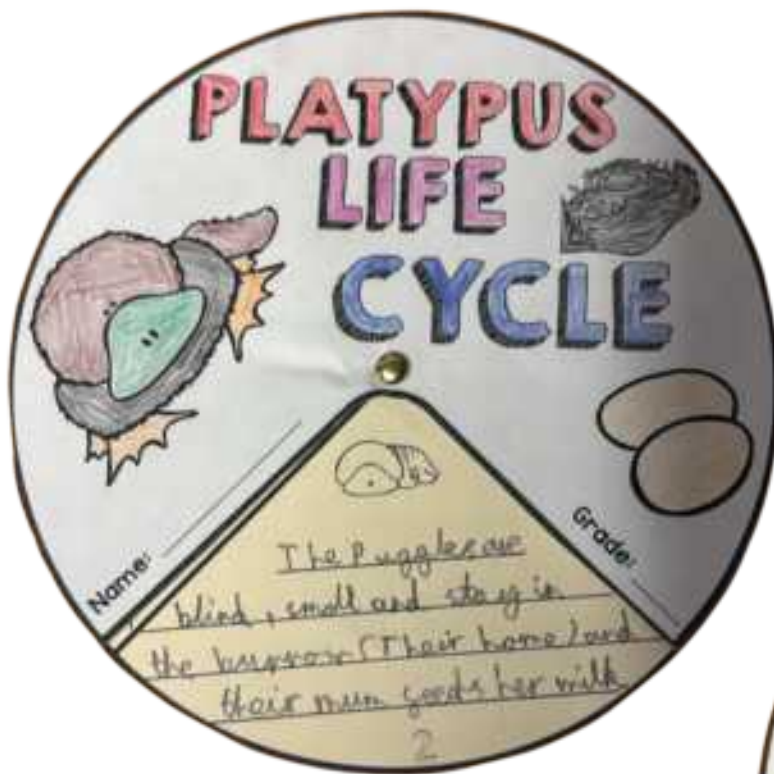

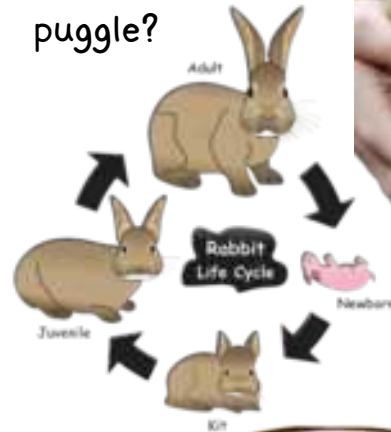

Investigating the melting point of chocolate in Science

SYCAMORE CLASS

We've been making mammal life cycle wheels explaining each stage of life. Did you know - a baby platypus is called a puggle?

SYCAMORE CLASS

At the start of the school year, Sycamore Class entered into a creative poetry competition called 'Wonderverse'. Lots of our work was published in the book and they have arrived this week! The children should be very proud of their work. If any children would like to read their creations, the book is in the school library. (Poetry section)

The Hide

Birds chirping, mice squeaking, sun blazing,
The glade.
Relaxing, quiet, drooping plants,
Deer prancing around in the sparkling creek,
Birds cling to the hanging feeders,
Taking their time to eat.
But one sudden move and they're off, like a fish,
Whistling their songs as they flee to the canopy.
Squirrels scampering up the trunks of the tall, green
trees,
Dashing among the leaves burying their nuts for
winter.
When food is scarce, they spent around the lowest
floor.

And as it's happening, I'm watching it all unfold.
Reuben Barrett (10)
East Bridgford St Peter's CE Academy, East Bridgford

Gina's Favourite Word (Fabulous)

Fabulous cakes - chocolate, vanilla, lemon and
jam.
A whole and delicious, soft and spongy, it's everything
you need.
I eating taste boundaries. Who won't like that?
I nibble and savor, you get to choose.
I bring every bit, every inch and every last crumb.
I sit and wait as you share and taste.
I gazing, raw and better-than-ever cakes.
I outrageous cakes to enjoy on a daily basis.

Erin Hutchinson (11)
East Bridgford St Peter's CE Academy, East Bridgford

The Venomous Titanaboa

I laugh as you scream of death
I begot to this world, but that doesn't stop it
I ask to the Titanaboa and plead for mercy
A tracker, killer, murderer, predator
Not horrible and ugly right in front of the strength
A deadly creature hungry for death
I such, swirling, ocean - whatever pit it is death's you
D it top of the food chain and an apex predator
A strong creature, capable of destroying any animal

Titanaboa
Fierce, deadly
As snakes in a rage
Sithers, strong
Titanaboa

The Titanaboa
Razor, strong
Even the Megalodon
Fell
No chance to
Fight this snake
And came out
Victorious

Chrissy Cookson (10)
East Bridgford St Peter's CE Academy, East Bridgford

Friendship

F riends always stick together
R esolutions to arguments that seem bad
I rreparable - always together
E ating playdates, you're invited too
N ew friends are always around the corner
D ancing together side by side
S haring snacks all night in sleepovers
H elpful friends unfortunately end
I rreplaceable, nobody can take your place
P arty planning and preparations, months in advance

Eto Griffiths (11)

The Region Of The Ancients

In the time of the ancients,
In the busy, crowded streets,
Searching rays of light envelop the town
Faintly glows of wind by around menacingly
In the time of the ancients,
In the calm silence of the Emperor's palace
Precious gold is scattered around the grand throne
People are praying to the mighty gods above

In the time of the ancients,
By the steep but outstanding cliffs of Hylis
The falls in the distant region of a grassland town
Above, in the distance, highland flowers are sparkling
with light.

Eddie Shore (10)
East Bridgford St Peter's CE Academy, East Bridgford

What Is My Name?

I belong to the insect family
When I was small, on the leaves I crawled
When I grew, I hid in a cocoon
One day I started to struggle and not long after I burst
out
With brightly colourful wings I stretched my way out
I like spring as flowers are blooming
I like flying among flowers as I am dancing
Nectar is my food
It is sweet and brightens up my mood
You ask me what am I
It is a secret but...
Listen! My name doesn't start with an 'M'.

Dorothy Man (10)

The Deep Dark Jungle

In the deep dark jungle, a monkey jumped
from tree to tree
He was as agile as a leaping frog
In the deep dark jungle, an anaconda lived
Slithering and sneaking, as quiet as a mouse
In the deep dark jungle, a hippopotamus hid
in the dirty water, looking straight at its prey like a
hungry eagle
In the deep dark jungle, a tiger stalked
He ruled like a king
In the deep dark jungle, the leaves shimmered
in the sunlight
It peeked through the thick trees above
In the deep dark jungle, when the full moon rose
the colourful animals were lit up
Just like the glow of a fire.

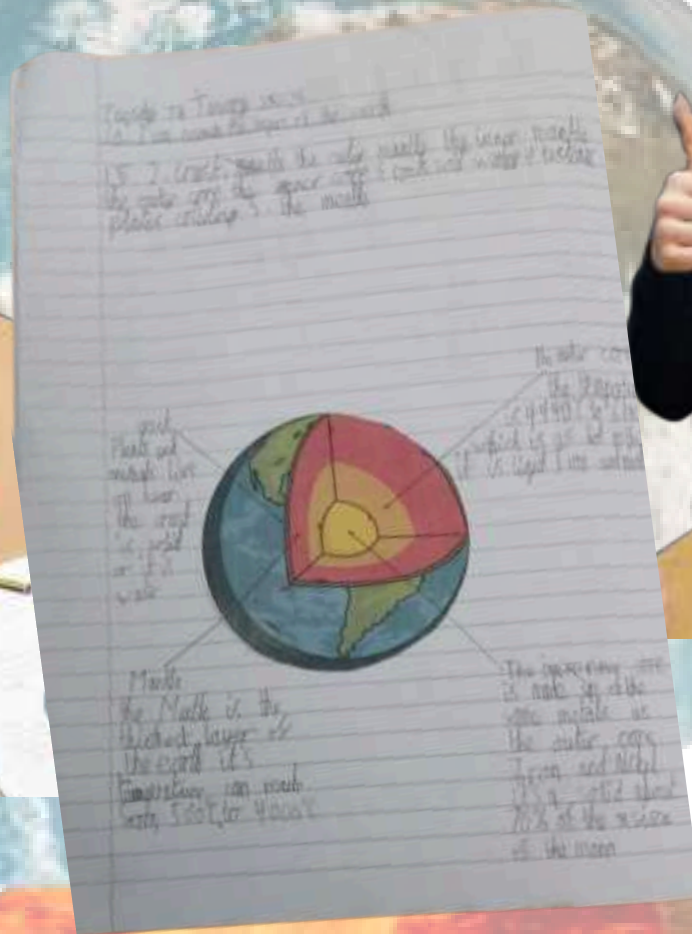

Charlie Evans (10)

MAPLE CLASS

Maple class have been making models of Earth to help them learn about the different layers. They have learned all about the inner and outer core, the mantle and the crust.

MAPLE CLASS

Maple class have been identifying different types of rock and putting them into the categories Metamorphic, Sedimentary and Igneous.

OUT OF SCHOOL ACHIEVEMENTS

newsletter@st-peters.notts.sch.uk

Well done George and Emma for achieving their Stage 5 swimming badges in November and January. They are both excited to be moving to the next stage, and they have worked hard to improve their technique.

Chloe wanted to share that she's completed her Level 7 swimming!

We are proud of Jacob for winning man of the match on Saturday, helping his team to come from behind to win 3-2!

On Sunday, Peyton performed a duo with her friend Lucy at the Stars Festival. They competed against 12 other duos and won silver! Here is a picture of them with their medals. We are so proud of them both.

Congratulations to Emily who obtained her Yellow Gymnastics award this week. She loves these classes and was delighted to get to the next level.

BE IN IT TO WIN IT!
