Experience Church

This week our Reception children went to church to 'Experience Church'.

This is part of St Peter's being a church school and offering **Life in All its Fullness** John 10:10.

Other Experience days:

- ✓ Experience Advent (KS1 & KS2)
- ✓ Experience Easter (KS1 & KS2)
- ✓ Experience After Easter (KS1 & KS2)
- ✓ Experience The Eucharist (Year 6 ONLY)
- ✓ Experience The Lord's Prayer (KS1 & KS2)
- ✓ Experience Church (Reception ONLY)

Rotakids

Our first meeting this week was to clarify our Rotakids Vision: **Take Care of our World**

The Rotakids will be designing and creating an **Eco Tyre garden**, inspiring others to take care of our **school environment** and world, leading being **Energy Champions** across the school and an exciting **trip to Veolia recycling plant** before Easter to look forward to.

All Year 5 children were offered the opportunity to become a Rotakid. All 20 children who expressed an interest were given this opportunity.

Voting next for President & Vice President to follow...

Life Education

As part of our PSHE education (Personal Social Health Economic) enrichment offering we have seen a return visit to St Peter's from Coram Life Education. Covering these topics from the PSHE curriculum: friends, decisions, meet the brain, my wonderful body, all about me, feelings.

O Lord
Bless our school
Help us to take care of
ourselves
Each other, the world
and with our work.
Amen.

Thank you for your continued support.
We value your trust in us.
Don't let issues grow.
Stay safe. Stay connected.
Take Care.

BIRCH CLASS

Measuring our heights in m and cms, using a metre stick and ruler in our new maths topic of 'Length and Perimeter'

CEDAR CLASS

Cedar class enjoyed creating wishing stones as a hook for their new English topic on wishing tales.

BEECH CLASS

Beech class in action - blending colours to paint sunsets.

OAK CLASS

We have been doing instructions in talk 4 writing and created our own delicious sandwiches, we then used our instructions to make them, chocolate spread was a firm favourite.

ASH CLASS

Ash class had a great time learning at their 'Experience Church' session.

MAPLE CLASS

Print making, using our ammonite motifs.

Harry is really proud of completing Stage 1 swimming, receiving his 1 meter badge 😊

We are so proud of Samuel for keeping a clean sheet in goal and achieving man of the match for his Sunday football team Woodborough.

East Bridgford Dads won 6-2 in the Quarter Final of the Sporting Evenings Cup, a fantastic performance in blustery conditions! A huge thank you to all the fans that turned up and cheered us on, its not to late to donate at

Oscar got man of the match for Lowdham Colts Reds on Saturday, he chipped in with a great assist and goal.

We are super proud of Kristjan who has yet again passed another stage in his swimming, so just moved up to stage 6. Brilliant work Kristjan!!!

Oliver is now an official Beaver! He was very proud to receive his neckerchief when he was invested in Beavers this week 😊

SCHOOL MENU

Eat Better Do Better

From our Let's Go Zero Climate Action Plan - school meals

Our school focus is on providing a healthy menu of low carbon intensive foods to create a culture in which people's wellbeing is enhanced. We strive for our children to understand that through their daily menu choices, they can be a powerful advocate for not just their own health, but the future of a healthy planet.

Our school culture of sustainability and decarbonisation is pupil-led. Pupils know they can make sustainable choices every day in the food they choose. This includes meat free days and balanced menu choices which advocate low-carbon food, encourages justice and courageous advocacy, enabling pupils to make ethical choices and to be agents of change.

So with this in mind we have changed some of our names on the school menu, we understand this has caused a little confusion so to make the menu choices clearer we have created a detailed poster to go with the school menu. We hope this helps and encourages children to 'Try one of these options' to work towards our Let's Go Zero mission.
