Rev Ruth Colby due to retire after Easter 2025

As a Church school we would like to say, Thank you for your years of dedicated service and leadership at St Peter's Church and of course St Peter's Church of England Academy. Your commitment has touched countless lives, and your presence will be deeply missed, especially on a Thursday because it's 'Rev Ruth's assembly!!

As you step into this new chapter of retirement, we wish you nothing but peace, joy, and fulfilment. May this next journey bring you all the happiness you deserve.

Good luck, and God bless you!

All the staff and children at East Bridgford St Peter's CE Academy

Thank you!

Happy Retirement!

Science Week at St Peter's

The children at St Peter's have taken part in science week, this week. Our Science Curriculum Intent:

At St Peter's Academy, we recognise the importance of science in every aspect of life, today and in the future. We aim to nurture children's understanding of the world around them by helping them to think scientifically. A high-quality science education provides the foundations for understanding the world through the specific disciplines of biology, chemistry and physics. All pupils will be taught essential aspects of the knowledge, methods, processes and uses of science. We want to show children that becoming a scientist is a real and achievable goal, that they can aspire to make a difference in the world of science.

O Lord
Bless our school
Help us to take care of
ourselves
Each other, the world
and with our work.
Amen.

Term dates / school day / useful information

Plus, ALL the school staff team and
Governors

Take Care

Preloved Uniform
is always
available in our
'Preloved
Uniform
wardrobe' – if
you ever require
uniform or spare
uniform just
contact our
office and you
can drop by to
take what you
need.

Oak class looked at the distance from the earth to the moon and made a string measurement using a football and tennis ball to represent the Earth and moon. We then made rockets from paper and blew them off straws to launch.

Fir class looked how playground games can be adapted to include disabled children. We also investigated the changes and adaptations that have been made to East Bridgford Park to make it accessible for all children. We focused on the specialist swings and also the roundabout. The children worked well as part of a team and enjoyed discussing the changes that have been made.

Science week 🧪🔬🔭

Amazing Animal

Adaptations 🐘🐢🐶🦊

Birch class

In Sycamore Class, we were investigating what materials break down in water the best in an experiment called 'Should we flush it away?' The children found that obviously toilet roll broke down the most, with baby wipes being a fizzy, bubbling mess!

Beech class investigating the composition of different coins for British Science Week.

Cedar class created moth's who adapted to the classroom environment using camouflage.

Can you spot the moth?

Maple class have learned about the effects of climate change and global warming. They observed how polar bears in the Arctic are being affected and discussed how we can make changes to slow global warming down. They carried out investigations on ice balloons and came up with scientific enquiry questions.

Willow have enjoyed Science Week; we have loved learning about space, wind and impaired vision! For our extra special lesson, the children had only paper, tape and a straw to design and engineer their own rockets! We were so impressed with how far they travelled!

Ash class were looking for Camouflaged Caterpillars.

To see more photos from each class during Science week, please follow this link to our Science page of our website. Photos to be uploaded soon.

<https://www.eastbridgfordstpeters.co.uk/science-6/>

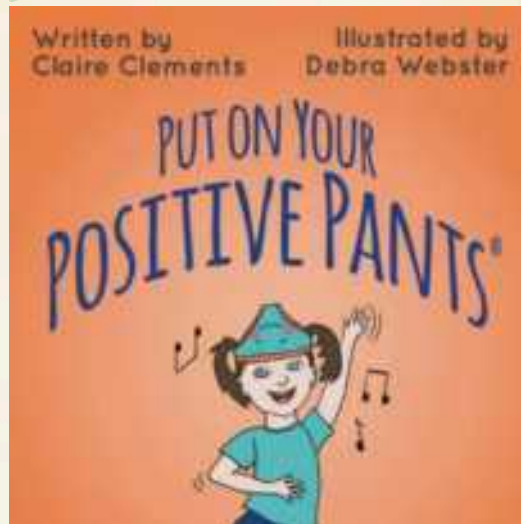

OAK CLASS

Oak class have had resilience training with Bounce back bear. We looked at ways to help if we are angry, upset or need help. We tried on the glad glasses and said the things that make us happy.

AUTHOR VISIT

CLAIRE CLEMENTS

We are delighted to welcome local author Claire Clements to our school on Wednesday, 26th March for a special assembly. Claire, the author of Put on Your Positive Pants, wrote this uplifting book to help children and families take control of their well-being. The story introduces fun and accessible ways for children to boost their mood when they're feeling sad.

If you would like to order a signed copy of Put on Your Positive Pants to be handed out on the day, please place your order using the link below by this Friday (14th March). Orders placed after this date will still be honoured but will be delivered a week later.

Order here:

<https://positivepants.co.uk/product/pre-order-put-on-your-positive-pants-book/>

Use code: FREESTPETERS
(to remove postage costs)

Important: Please include your child's name and class in the 'Order Notes' section at checkout.

**DON'T MISS OUT
ON GETTING YOUR
OWN COPY OF THE
BOOK!**

OUT OF SCHOOL ACHIEVEMENTS

newsletter@st-peters.notts.sch.uk

FOOTBALL

Congratulations to Jacob for helping his Lowdham Colts team to a thrilling 6-5 win at the weekend and being awarded Man of the Match!

SWIMMING

Well done, Charlotte, for all of your hard work achieving your 100 and 200 metre swimming distance awards!

DAD'S OUT OF SCHOOL ACHIEVEMENTS

This Sunday is top of the table clash please come along and support the East Bridgford Dads, now being played at Radcliffe on Trent 3g Pitch

East Bridgford Dads did you all proud yesterday !

4TH APRIL

Get your thinking caps on,
Easter Egg Competition!
Have a look at some of last
year's entries!

PTFA NEWS

COMING SOON

<https://www.easyfundraising.org.uk/causes/stpeterseastbridgford/>

It's peak-time for holiday bookings, and when a getaway is booked with TUI this month, it could raise your PTFA a £100 donation, thanks to TUI and [easyfundraising](https://www.easyfundraising.org.uk)!

Book
a holiday
by 31st
March
and raise
£100 for
school!

TUI's Classroom Commitment

Only available until 31st March, and exclusive to schools and PTAs, every holiday booked with TUI via easyfundraising by a supporter of your PTFA will raise a £100 donation*. So, if 5 parents book a TUI holiday, that's £500 raised!

While most retailers on the easyfundraising platform offer a percentage of spend back as a donation, as part of their and TUI's commitment to supporting education causes this month, all bookings made with TUI in March will raise £100 for your PTA. No minimum spend is required, so if you haven't joined yet, there really is no better time!

What is easyfundraising?

easyfundraising is a free, easy and accessible way for your school community to support your PTA's mission in 2025. The entire school community simply shops online with their favourite retailers, including ebay, Tesco, TUI, Etsy, Argos, M&S and 8,000 others via the easyfundraising app or website to collect free funding, courtesy of the retailer, with every purchase!

To date, more than £16m has been raised for schools across the UK, so don't miss out.
