Rotakids request – tyre painting for their upcycled tyre garden

Our Year 5 Rotakids are aiming to create a sustainable and upcycled tyre garden.

We have 12 car tyres in need of painting (preferably with acrylic paint), before they can plant and create their themed micro-gardens. IF you have spare acrylic paint and can either come in to paint a tyre or take a tyre home to return once painted that would be wonderful. For health & safety reasons we would prefer the adults to do the painting.

Please get in touch with Mr Tomlinson or one of our Rotakids.

Thank you for your continued support.

We value your trust in us.

Don't let issues grow.

Stay safe. Stay connected.

Take Care.

Alfie was man of the match on Saturday in a closely fought game against local rivals Bottesford.

He never stopped working hard and scored 2 great goals. Well done Alf!

Isabelle has learnt to ride her bike without stabilisers. We are so proud of her hard work and determination to succeed. We are looking forward to going on lots of family bike rides together.

SCHOLARSHIP

We are extremely proud of Layla who took part in her dance school annual showcase. She danced beautifully and with the biggest smile on her face! We were all absolutely blown away when it was announced that Layla has been selected to receive a full one year scholarship to the dance school, funded by local charity, the Rachel Farmer Trust. Well done Layla!

Flora completed her Stage 4 swimming. We're very proud of the determination she's shown to keep practicing and trying her best.
Keep on swimming kiddo!

Reïs (Year 2) has achieved Level 7 in Gymnastics. Well done!

Anuj, Hugo, Esme, Jacob and George have raised more than £780 so far to be split between St Peter's charity, Cancer Research and the Vale of Belvoir Rotary Club's charity. This amazing team of year 5 children swam continuously for 50 minutes at Bingham Leisure Centre on Saturday 15th March 2025, and Aarav, who had to pull out due to illness, cheered them on from the poolside as they racked up an impressive 196 lengths between them (4,900 metres!). There is still time to sponsor, please visit -

Thanks for your support. The children decided to take this challenge on themselves and pulled a team together. We think they're fantastic and did the school proud!

If any other children in sports teams would like to raise money for school, we'd love to hear from them.
