Have a wonderful Easter Break

As we approach the Easter break, I want to take a moment to express my heartfelt thanks to each and every one of you.

To our incredible staff & governors —your dedication, passion, and commitment to our children's learning and well-being never go unnoticed. Your hard work truly makes a difference every single day.

To our wonderful children—you continue to amaze us with your enthusiasm, resilience, and kindness. Keep striving to go Beyond Expectation, TAKE CARE, be your best and supporting one another.

And to our parents and carers—your ongoing support, trust and partnership mean so much to us. Your encouragement at home and engagement with the school community help create a strong foundation for our children's success.

I hope this Easter break brings you all time to rest, recharge, and enjoy special moments with loved ones. Wishing you a joyful and peaceful Easter!

Mr Tomlinson

@StPetersEB

O Lord
Bless our school
Help us to take care of
ourselves
Each other, the world
and with our work.
Amen.

BE PROUD OF HOW HARD YOU ARE TRYING

Football team lost 3-0 away to
Gotham Primary school.
Keep working as a team and stay
together.

Thank you to Mr Maynard and
the parents for your support.

Amanda Hardy.

**Cross country
volunteer for 25 years
at St Peter's.**

RIP

**Who died last week
with her family around
her.**

**25 years of dedication
to St Peter's.**

Amanda began volunteering as a cross-country coach nearly 25 years ago when her children, Hannah and Ben, attended St Peter's. Even after they moved on to secondary school, she continued coaching until health issues forced her to pause. Over the years, she inspired countless children, with parents and former pupils still speaking fondly of her impact. A group of Year 12 students even chose to support her as part of their Duke of Edinburgh volunteering.

Her influence extended beyond school; one pupil progressed to represent England in running, while another, now pursuing long jump, credited Amanda as their inspiration in a school publication. Balancing her senior full-time job, Amanda ensured she was available for training sessions on Tuesdays and Fridays, attended races on weekends, and braved early, frosty mornings at events like those at Berry Hill Park.

Her dedication went beyond competition—she took joy in seeing children, even those new to running, take to the start line on a cold Saturday morning. A successful runner herself, representing Wales in her youth and competing in marathons throughout her life, she served as a role model for aspiring athletes. Thanks to her enthusiasm, cross-country sessions often saw large turnouts, with many eager to give running a try.

**God Bless
Jon Hardy**

Year 5 Rotakids trip to Veolia Recycling centre

This week our Year 5 Rotakids experienced a real-life recycling centre. The children learnt about different Materials: Origins of materials, the properties and uses of metal, plastic and paper/card. How to reduce, reuse and recycle materials. The children learnt about our impact on the environment: how resource use affects habitats. The impact of humans on the environment (positive and negative). Natural resources and sustainability.

The highlight was putting on the hard hats and having a tour around the heart of the recycling operation for Nottinghamshire.

NOTTINGHAMSHIRE - MATERIALS RECOVERY FACILITY

**TRY THIS
RECYCLING
QUIZ:**

Which Bin Do I Go In?

R = Recycling Bin G = General Waste Bin

FIR CLASS

In Science, Fir class have been learning about seasonal change including the weather. We observed the wind by using our very own wind socks. The children loved making these and testing them out! Well done all!

★ ★ ★ OUT OF SCHOOL ACHIEVEMENTS
