@StPetersEB

Dear Year 6 Parents and Carers,

As Year 6 SATs week comes to a close, I want to extend my heartfelt thanks to you for your trust, support and kindness throughout the lead-up to this 'moment in time' in your child's school journey.

Your encouragement and reassurance at home have made a real difference. We've seen your children approach the week with maturity, resilience and a wonderful sense of determination. They have truly done themselves proud. Governors who oversaw the testing this week echoed these sentiments.

While SATs provide a snapshot of the progress children have made in reading, writing and mathematics throughout their Key Stage 2 journey, they are just one part of the bigger picture. The tests support the school to identify strengths and areas for whole school development.

Furthermore, so we can continue to support each child's learning as they prepare for the transition to secondary school. More than that, they also show what children can achieve when supported by a strong partnership between school and home — something we deeply value here. Please know that we see your children as so much more than a test score. Their creativity, kindness, humour and character are what make them who they are — and we celebrate every bit of that.

Thank you again for being such an important part of this journey, so far. We still have plenty to squeeze in the last 40 days of this academic year

Take Care

Mr Tomlinson, staff & Governors.

Take Care

O Lord
Bless our school
Help us to take care of
ourselves
Each other, the world
and with our work.
Amen.

Use of mobile phones for children

We kindly remind you to monitor your child's use of mobile phones outside of school hours. While we understand that mobile phones can be useful for communication and safety, we encourage responsible use and supervision, especially when it comes to social media, messaging apps, and online content. Thank you for your continued support in helping us keep all children safe and focused on positive digital habits.

BEECH CLASS

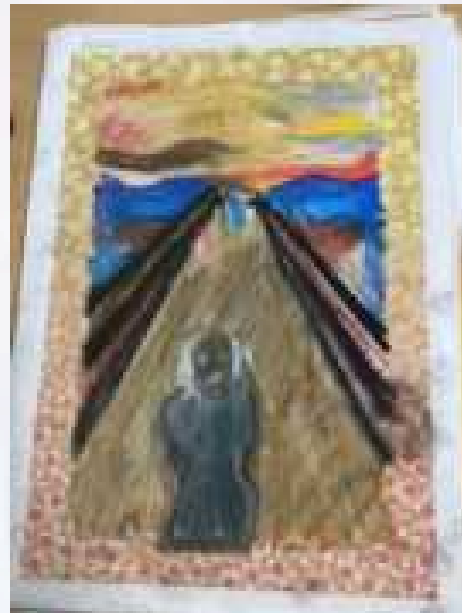

Beech class have been exploring expressionism in art. We used chalk pastels to re-create one of Edvard Munch's famous pieces 'Melancholy'

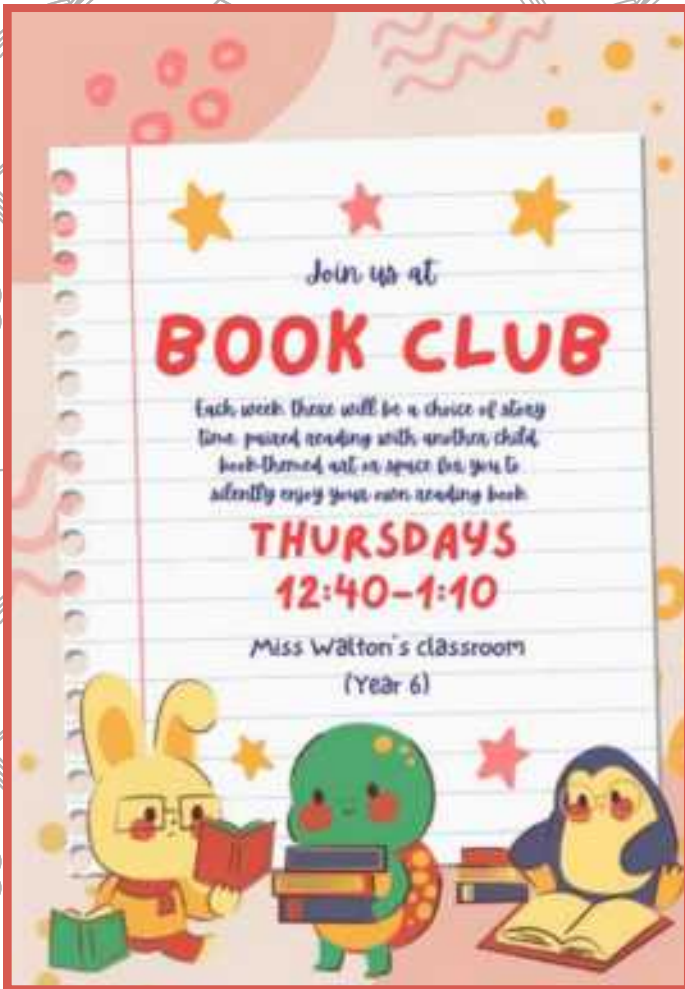

SYCAMORE CLASS

This half-term, Sycamore Class have been exploring expressionist artwork. We have created artwork inspired by 'The Scream' by Edvard Munch, used colour theory to create our own replica expressionist portraits, and added text and colour to highlight emotions in black and white photographs. Here are some of our wonderful pieces!

Listen to a story with Miss Walton, read with an older child, get comfy with your own book or have fun creating some book-ish artwork. Pop along to Book Club for a calm end to your lunchtime. Running every Thursday in Miss Walton's classroom - years 1 to 6 are welcome!

**epilepsy
society**

Corinthians are raising money for Epilepsy Society. We are selling raffle tickets on Tuesday 20th and Wednesday 21st May, which could put you in with a chance of winning a snuggly teddy bear. £1 per number. The winner will be drawn in achievement assembly on Friday 23rd May

OUT OF SCHOOL ACHIEVEMENTS
