

St Peter's Preschool

Topic "Why do leaves go crispy?"

Let's find out all about autumn in this exciting seasonal project.

We will be:

- Using our senses to explore a range of autumn treasures
 - collecting sticks, pine cones and leaves of different sizes, colours and textures
 - using our fine motor skills and hand-eye co-ordination to thread them
 - thinking creatively to make patterns
- Printing using fruit and vegetables
- Pretending to make vegetable stew in our home corner

At home can you....

- Make a spiky hedgehog out of playdough
- Share a story which includes a woodland animal e.g Percy the Park Keeper

Let us know how you get on!
