

St Peter's Preschool

Topic "Why do you love me so much?"

We shall be learning all about love, families, friends and how people are the same and different.

This week we are asking the question

"What can we do with our hands?"

We will be:

- drawing around our hands, painting hand prints with our friends, talking about what we use our hands for
- making salt dough hearts
- we will be reading our new book Love Monster

At home can you....

- share the words and actions of our poem All of Me?
- find out who has the largest hands in your family?

Let us know how you get on!
