- Here are the spelling lists for weeks 2-6 of the Spring term. Please encourage your child to learn their spellings and set aside some time at the end of each week to test them. We have attached some useful techniques to help with learning.
- As an extension at home, children could find further words that follow the same spelling pattern and/or write sentences to include each word on the list.

- You also have a copy of the 64 common exception words that Year 2 children are expected to be able to spell by the end of the year. Your child may colour all words that they are able to spell already. *Please practise 2 or 3 words that are not coloured each week in addition to the above spelling lists.*
