

Beech Class Creative Homework Project.

The Ancient Greek Exhibition.

With your help, our classroom is soon to be transformed into an exhibition of Ancient Greek artefacts for an afternoon!

To help our topic of the Ancient Greeks come to life, we would like the children to design and make an artefact, model, or any piece of artwork that reflects this period of history.

The children will have 3 weeks to complete this task.

The children will need to have their completed work ready to display on Thursday 25th June. They will also act as a museum guide (curator) to children and members of staff from other year groups, so will need to be able to talk about their exhibition piece. The children are welcome to work individually or as a pair if they wish.

Task 1:

- Through research (books or internet), choose something about Ancient Greece that you are interested in.
- Draw and label your design ideas.

Task 2:

- Begin to collect the materials you will need to create your artefact.
- Enjoy making it!
- Write down some useful information about your piece so that you can speak knowledgeably to visitors to our museum!

All pieces should be returned to school by Thursday 25th June.

Ideas include:

Trojan horse, write a Greek tragedy play, create your own Greek God comic strip, make a miniature Parthenon, Pandora's box, a Greek vase or pot, Greek jewellery, a Greek mountain – the list is endless. . .

Good luck and we are excited to see your creations!
