End of the year round up!!

Well, here we are almost at the end of the school year – time has certainly passed quickly, and I can't believe that your children are either about to enter into their final year of primary school or moving on to secondary school!

We have achieved so much together this year – it doesn't seem so long ago that we were singing at our Harvest festival last October! Since then, the children have certainly grown up and are now ready to face new challenges. I feel particularly proud as I have taught many of your children before (some for 2 years!) when they were little and it has been a pleasure to watch them grow and develop in so many ways.

I hope you all enjoyed the Year 5 and 6 show earlier this week. Your children really rose to the challenge and performed brilliantly on both nights. Additionally, they were an absolute joy to work with during the weeks leading up to the performances in every rehearsal. Year 5 – I look forward to next year when you will be leading the way on stage and Year 6 – who knows what you might do next on stage in the future?

Finally, I would like to thank you once again for your support this year and also for your very warm, kind comments. I will miss these children and there is no chance of me teaching them again, but I look forward to accompanying Year 5 on their residential to Whitby (it's the best one of the lot!) in May and working alongside them musically next year. Year 6 – I hope you will come back to say hello from time to time.

I hope you all enjoy a wonderful summer break whatever you are doing!

Mrs Gilbey.
