Aspire & Shine Education Trust

Dear Parents and Carers,

We are pleased to let you know that following the merger, the formal change of our Trust's name has now been approved. The Trust will now be known as **Aspire & Shine Education Trust (ASET)**.

The new name reflects the bringing together of Aspire and Shine and represents our shared identity and future as one Trust of 15 primary schools.

This is a change to the Trust's name only. It does not change your child's school name, individual identity or ethos, and there will be no change to the day-to-day education and care your child receives.

Over the coming weeks, you will begin to see the Aspire & Shine Education Trust name appearing on school websites, letters and other documents as these are gradually updated.

We are proud of the individual character of every school within our Trust, while valuing the strength, support and opportunities that come from working together. Thank you for your continued support.
