Dear Parent/Carer

¡Hola! Welcome to La Jolie Ronde Languages for Children Spanish classes at East Bridgford St. Peter's CofE Academy! Places available for after the half-term holiday!

We are delighted to let you know that our new Spanish classes are now running at St Peter's CofE Academy and we have had a great first half term! Classes for key stages 1 and 2 take place on Wednesday lunchtimes and places are now available for all age groups to learn Spanish. I would like to offer you the opportunity to reserve a place for your child – please contact me by telephone or email as above if your child would like to join a class after the half-term break!

I am a graduate in French and Spanish, with fluency also in German and Portuguese, and teach learners from preschool up to university level, as well as helping adults wishing to learn, or relearn, a language. I have a passion for all aspects of language myself, with a firm belief in the very positive value of children learning languages as early as possible, developing their skills, confidence, enjoyment and love of languages and providing them with a solid foundation for their future education. The La Jolie Ronde programme achieves this in a structured, age-appropriate, varied and fun way!

- **A unique structured language course established for over 30 years.**
- **An excellent accent for the children to copy.**
- **Small classes with plenty of individual attention and learning with children of a similar age (maximum 12 children).**
- **Conversation, basic grammar, games, role-plays, rhymes and stories.**
- **An awareness of Spain, its geography and culture.**
- **Weekly and termly updates and an end-of year report on your child's progress.**
- **Spanish certificates awarded on completion of each programme.**

La Jolie Ronde classes run separately from those offered in the curriculum. The programme is designed to enhance their learning skills and to challenge the children, which means that they **excel** at French/Spanish and develop their language skills to the highest level possible.
Classes will be offered at the rate of £8.00 per lesson, payable termly in advance.
An integral part of the course is the fun activity book and interactive app access, payable separately, to enhance your child's learning. These are supplied with a folder, pencil, additional worksheets and an end-of programme medal for a one-off payment of £22 for the full academic year. If you would like further information or to book a place, please contact me on the above telephone number or email address.

¡ Gracias! ¡Hasta luego! Nicola Warren
