MESSAGE FROM MR TOMLINSON

Orienteering

Our KS2 children took part in Enrich orienteering around school; experiencing qualities as: most determined, most fearless, modesty and kindness. The children learnt about 4 famous explorers and then experienced teamwork games including science, English and maths activities.

Back to School PTFA disco

Thank you to our PTFA volunteers for organising and running the school disco this term. The disco is an opportunity to bring together our school community. The money raised goes towards essential resources for our children including art & paint, reading books, stationary, water coolers and website subscriptions.

Image Theatre visit to school - Jungle Book by Rudyard Kipling

This week our children watched, and a handful took part in a visiting theatre company, performing Jungle Book, an immersive experience of story-telling. This is part of enabling every child to become a writer.

Quote from the company: "this is the best school we've been into for engagement by the children"

EXPERIENCE: The Lord's Prayer

In a few weeks the children will be visiting church to take part in our EXPERIENCE curriculum. This is run by our Church Foundation governors alongside volunteers in our church community, and is something very special indeed.

★ OUT OF SCHOOL ACHIEVEMENTS ★

Well Done all of you!

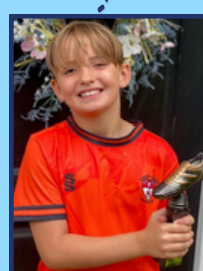

Bob scored a hat trick for his football team this weekend and got player of the match! We're all really proud of his progress and his team mates.

Double whammy from Sammy! Well done to Sam for MoM for his sat lowdham team and for passing his stage 5 swimming! We are very proud!

A huge congratulations to Hugo for getting Man of the Match at the weekend. We're all so proud of you, keep up the good work buddy 🏆xxx

We're all super proud of Seth getting Player of the Day for his football team Radcliffe Pumas 🏆

Poppy got player of the season in Junior Cricket at R B Sport Development - East Bridgford Cricket Club.

We're super proud of Alfie for winning the Coaches award at his end of Cricket presentation on Friday. Some of his kind words, included about his fantastic fielding dives and attitude to being coached plus him always being a consistently good player. We're super proud of him!

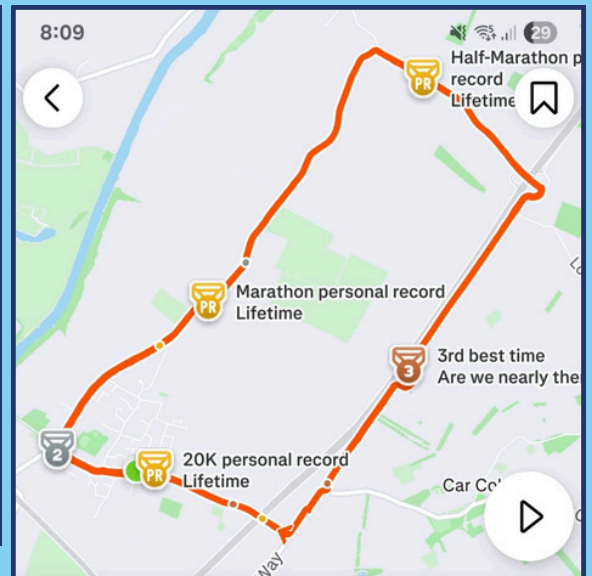

WHERE WERE THE YORKSHIRE PUDDINGS?

To celebrate British Food fortnight, on Wednesday 1st October we were looking forward to Yorkshire puddings with our sausages. Sadly our suppliers let us down 😞 We have let them know how upset the children were! Mrs Plumb is hoping to have them on the menu for next Wednesday

The ex St Peter's team completed their charity run for Mrs Hardy yesterday. Thankfully the weather was kind! They did incredibly well and were cheerful throughout - Mrs Hardy was so amazing in the way that she has inspired their love for running and their determination to keep going! They have so far raised over £1000 for Pancreatic Cancer UK! Thank you for your support.

The Rotary Club of The Vale of Belvoir

WORLD POLIO DAY
IS 24 OCTOBER endpolio.org | [#endpolio](https://twitter.com/endpolio)

MASS CROCUS PLANTING 2025

THIS YEAR WE WILL CONTINUE OUR MASS CROCUS PLANTING CAMPAIGN WITH PLANTINGS IN EAST BRIDGFORD AND ORSTON. PLANTING WILL TAKE PLACE IN LATE OCTOBER TO COINCIDE WITH WORLD POLIO DAY.

Rotary's pledge for a polio free world was made in 1985 when there were 125 Polio endemic countries and hundreds of new cases every single day. In 2023 there were only 12 wild Poliovirus cases in the entire world but as long as there is one single case anywhere children everywhere are at risk.

The Rotary Club of The Vale of Belvoir has supported this International effort since the Clubs establishment in 1990 through fund raising efforts across the communities in our area.

In recent years the fund-raising effort for Polio eradication has been themed as Purple4Polio in recognition of the purple dye that is applied to children's fingers following mass immunization projects in areas of the world with poorly developed healthcare services.

To further raise the profile of the Rotary Polio Story, Rotary in the UK and Ireland has partnered with the Royal Horticultural Society to establish mass planted areas of Purple Crocus.

This partnership allows community planting and flowering to raise the profile of Rotary Purple4Polio whilst also helping the RHS's Greening Grey Britain campaign. It brings together a wide cross section of communities to transform public spaces, brighten up local areas and benefit local wildlife, including bees, by planting this rich source of nectar.
