MESSAGE FROM MR TOMLINSON

Skipping Ninja Inspires Active Living

Our whole school was energised and inspired by a visit from the Skipping Ninja this week! The exciting session promoted a healthy, active lifestyle and got everyone moving with smiles on their faces.

Parents' Evening – Thank You!

Thank you to all the parents and carers who attended Parents' Evening this week. We hope you had a chance to leave a message on your child's feedback form.

Your kind and thoughtful comments mean so much to the children – they feel proud, encouraged, and motivated to be the very best they can be. Your words truly make a difference.

Reception Welcome Service in Church

What a wonderful and heartfelt service we had in church yesterday, to welcome our newest children and their families into the St Peter's Academy community. It was a special moment to celebrate the beginning of their primary school journey, and we're so excited to share this next chapter with you all. Let's continue to work together in partnership – and remember, if you have any concerns, please don't let them grow. We're always here to help.

EXPERIENCE: The Lord's Prayer

Last week, our KS1 and KS2 pupils visited church to take part in EXPERIENCE: The Lord's Prayer. This reflective and meaningful event is led by our Church Foundation Governors and supported by volunteers from our church community. It is a very special part of our school calendar.

Find out more here: <https://www.eastbridfordstpeters.co.uk/our-distinctively-christian-church-school>

For this year we will be having our Harvest Service for KS2 Juniors ONLY, in church. This is due to the health and safety capacity of the Church. Parents/family are invited to church on Thursday 23rd October 2025 @10am.

Severn Trent Water Assembly

We welcomed a visitor from Severn Trent last week for a fun and interactive assembly all about water. Children learned how we use and conserve water, and they were also given an important safety message about staying safe near rivers and open water.

Rotary International - Global Community

On Friday 24th October 2025, we will be involved in Rotary International and the East Bridgford community **World Polio Day**, Mass Crocus Planting 2025 - on the bank opposite school. **EVERY** child will have the opportunity to plant a bulb in a pre-dug hole. We hope you can come along and watch.
