

## East Bridgford, St. Peter's C of E Academy – Homework

**Teachers: Mrs Archer Dytch**

**Subject: Geography**

**Date: 14.11.25**

Good afternoon,

It's hard to believe we have already been back in school for two weeks following the half term break, but as the saying goes 'Times flies if you are having fun!' This week the children have loved starting our new geography topic 'One planet. Our world' We have been sharing stories about where we were born and where our parents were born. It's so lovely that we have such diverse cultures amongst us. Our class atlases, which we have used to locate the different counties in Europe, have also been very popular (Christmas present ideas?).

### **Curriculum:**

In science we have had such a busy time, learning about, muscles, exoskeletons and endoskeletons and thinking about questions we would like to carry out either research or an investigation on. Each week I choose 'Scientist of the Week', the chosen scientist gets to wear our science lab and support my teaching. This week it was Martha.

In maths we have continued to do subtraction and addition with exchange - subtraction with exchange is a difficult concept to grasp, but with plenty of practice we are making progress. Do not worry if your child/children struggled with their homework, we have covered it all in class many times this week.

In English we are starting to plan our Hot Write, which will be to write a recount of the incident when Red strayed from the path, from the perspective of a woodland animal.

IT: We are learning to touch type - this can be practiced on Purple Mash at any time and is a very useful skill to have.

### **HOMEWORK:**

I would like the children to choose a country in Europe and research some facts about it. The capital city, population, largest river, national dish, climate, sounding counties, money, language etc..... This can be presented any way and can include maps and pictures as well and writing.

Thank you for your continuing support with homework, spellings and times tables. Please remember to fill in the work diaries when you have heard your child read, practice their spellings and times table. Take Care tokens will be given for those who consistently show me their diary on Friday.

Kind regards

**Mrs. Archer Dytch,**
