

East Bridgford, St. Peter's C of E Academy – Homework

Teachers: Mrs Archer Dytch

Subject: English

Date: 28.11.25

Good afternoon,

I hope everyone is well and beginning to prepare for the festive season. The children are learning Christmas songs in assembly and we shall decorate the classroom with a tree next week. If anyone has any spare decorations they would like to donate to Maple Class until we break up, please feel free.

Curriculum:

We have had such a busy week this week, in science the children carried out their own investigations after I modelled how to carry one out last week - we did a whole class investigation to see whether exercise makes our heart rate increase. This week, in small groups, the children came up with their own hyperpiesis that they wished to investigate. An example was, 'Does your body temperature rise when we exercise?' or 'Are dancers more flexible than footballers?'

In history, we learned about the end of the Iron Age and how Julius Ceaser invaded Britain. In RE we are still learning about the Holy Trinity. This week in English we have been looking at structure and pattern in poetry and we have studied the poem 'The Magic Box' by Kit Wright.

PE - Outdoor on Tuesday. **Please remember warm clothing and hair must be tied back to prevent anyone getting hurt.**

HOMEWORK:

As we have had trouble with our printer, we are setting homework that does not require anything printed out.

Please follow the link to 'Action for kindness advent calendar' and do an act of kindness each day throughout December.

<https://actionforhappiness.org/do-good-december>

Thank you for your continuing support with homework, spellings and times tables. Please remember to fill in the work diaries when you have heard your child read, practice their spellings and times table. Take Care tokens will be given for those who consistently show me their diary on Friday.

Unless otherwise stated all homework must be handed in the following Friday.

Kind regards

Mrs. Archer Dytch
