**MESSAGE FROM MR TOMLINSON**

Prayer Box

In our entrance hall there is a small post box, this has become our 'Prayer box'. Children can complete a prayer template or even write or draw their own. Our Worship & Wellbeing cabinet group then periodically read them out in assembly using the bell to signal the start and end of the prayer. The children are writing the most wonderful prayers. So much that we are sticking them all in our new prayer book.

Lost property

Our Lost property box is over-flowing with items. We will have to dispose of these items before half term. If you would like to come in and take a look, please do so. Many items have been there since the previous Parents' Evening, when we leave the box out in the hall. The children have kindly offered to try and sort through the items to find their owners. Sadly, so many items do not have names in.

Illness & sickness absence

We advise 48 hrs if your child is sick. However, we appreciate you know your child best and their sickness may just be because they are over-tired and they quickly recover. The 48hr rule, which the majority of schools adhere to, is to break the cycle and try to stop the spread. Thank you for your understanding.

Thank you for your continued support.

We value your trust in us.

Don't let issues grow.

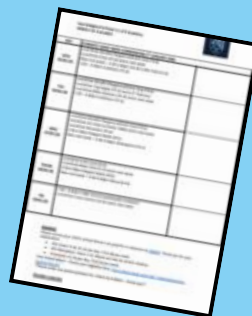

Stay safe. Stay connected.

Take Care.

# SYCAMORE CLASS

In Art, Sycamore Class have been designing, making and painting Inuit sculptures, linking with our main driver topic of the Polar Regions. We had a few clay mishaps along the way but here are our creations!

# FIR CLASS

This week in art, Fir Class have been exploring sculptures and paintings inspired by flowers. The children learned about shape, texture and form before creating their own flower inspired designs using playdoh. They had a wonderful time being creative and were very proud of their finished pieces. Below are a selection of photos showing their fantastic work. 🌸
