Willow

There were some wonderful costumes and pyjama outfits on show yesterday to celebrate World Book Day. The children enjoyed singing a song about books in assembly and we marked the occasion by sharing books with a friend, enjoying a live lesson and completing a book quiz. Next week is science week where we will be focusing "Curiosity - What's your question?" We have plenty of exciting things planned.

It was so lovely to see most of you this week at our parents' evenings - a lovely opportunity to catch up with you all and share how your children are progressing this year. Thank you so much for your kind comments. The children certainly should feel proud of themselves and they really enjoyed reading the lovely feedback that you wrote for them.

English: As well as continuing to work hard on spelling, handwriting and reading comprehensions, the children have thoroughly enjoyed our text based on the Polish legend *The Cobbler and the Dragon*. The story has really captured their imagination and sparked some brilliant discussions about characters, motives and how tension is built. We have this started our own shared write stories this week and they have been very creative with some very exciting twists. We have a range of quirky and fun writers in our class!
