What a Fantastic Start to Year 1.

We have had such a fantastic start to the school year! It has been wonderful to see the children settling so happily into Year 1 and becoming more confident with our new routines and expectations each day.

The children have worked incredibly hard on all the activities we have enjoyed over the last couple of days, and they should be so proud of themselves, I know I am!

It has been lovely to see their smiling faces, enthusiasm and willingness to have a go at everything. The posters they created about taking care of themselves and each other were particularly lovely to see. They showed such thoughtful ideas about how we can look after ourselves, our friends and the wider school community. It is wonderful to see the 'Take Care' values of St Peter's already becoming such an important part of their everyday lives.

From next week, we will begin following our usual timetable, and we are looking forward to getting stuck into lots of exciting learning, exploring new topics and enjoying plenty of fun activities together.

I am incredibly proud of how positively the children have started their Year 1 journey. I am looking forward to all the exciting adventures, new experiences, challenges and special moments we will share along the way, and I cannot wait to see each and every child grow and develop throughout the year.

I am looking forward to working together to make this a happy, memorable and successful year for every child.
