

Dear parents and guardians,

It has been an absolute pleasure getting to know your children over the last couple of weeks and we are excited for the year ahead.

We have now begun our Autumn 1 topic “Where can I explore?” and we will be enjoying lots of activities linked to the book *We’re Going on a Bear Hunt*.

We are slowly introducing our carpet session activities and I can already tell that the children are going to love our rhyme time activities.

In maths this week we have looked at “more than, fewer than and same quantities” and we will begin exploring with shapes and objects to build with next week.

Our class bear, Appleby, will be being sent home with a different child each week and we use the provided book for developing language and confidence speaking in front of others.

Please remember to send in coats and spare clothes for those little accidents and the colder weather incoming.

Please speak to a member of the Preschool Apples team if you have any queries.

Best regards

Miss McGrory, Miss Smith and Mrs Spence
