Sycamore Class

EAST BRIDGFORD
ST. PETER'S ACADEMY

Dear Parents and Guardians,

Thank you for the wonderful supply of bottles and jars for our science experiment. Keep your eye out on Mr Tomlinson's newsletter next week for some messy photos of this! I was so impressed with the children's learning.

This weekend, I am running the Robin Hood Half Marathon. Thank you so much to the support and donations that I have received. I have a donation link in the Headteacher's Newsletter.

As always, please contact me via office@st-peters.notts.sch.uk, on the playground or by phone if there's anything at all that I can support with. Have a wonderful weekend when it arrives.

This week we have:
