Key Messages:

PTFA Disco

How wonderful to see so many families together. Thank you to all the PTFA Volunteers for all the hard work, before, during and after. £1311 was made on the night.

Image theatre - Dr Doolittle

The children experienced a visit by *Image Theatre company* for an interactive sing-a-long afternoon in the hall. Well done to the children who were randomly selected to actually be in the show.

Feedback from the theatre company *'what wonderful children and school you have. Not all schools are like St Peter's'*

Bus safety

The feedback from the bus driver every morning is that the children are polite and thoughtful on the bus, however, some children are standing up and not sitting forwards in their seat at all times. Therefore, this is a gentle reminder to all children and families that Take Care behaviour should be displayed on the bus at all times, primarily for safety and to enable the driver to fully concentrate. Eg great manners and respect towards the driver, staying sat down especially when the bus is moving, low voices to enable the driver to be safe, respecting other children's right to have a safe and quiet journey to school and back home. Thank you for your cooperation.

Meet and Greet - outcome of parental preference

Back in July we held our very popular and well attended Open Afternoon - for parents/carers to celebrate their child's work over the year. This was also promoted as a 'Meet and Greet' your child's new teacher ahead of September - instead of a September 'Meet and Greet'. Recently, we put out a MSforms to gauge parental preference ahead of next year. The results were; 10 responses prefer July, 10 responses prefer September, and 6 responses had no preference. As a result, the school will make a decision later this year. We welcome feedback, but appreciate we can't please everyone's preference. Thank you for those 26 responses who took the time to let us know their thoughts.

EAST BRIDFORD
ST. PETER'S ACADEMY

Admissions Consultation

Consultation period:
1st October 2026 to
12th November 2026

East Bridford St Peter's CofE Academy, part of Aspire and Shine Education Trust, is consulting on its proposed admission arrangements for 2028/29.

The Trust is proposing to reduce the academy's Published Admission Number (PAN) for Reception from 42 to 30, with effect from September 2028.

The proposal reflects current and projected pupil numbers and the longer-term organisation of the academy. The Trust will consider all responses received, alongside relevant pupil place-planning information, before determining the final admission arrangements.

The proposed change is: Reception PAN: 42 → 30 from September 2028

The academy's existing oversubscription criteria are not being changed as part of this proposal. The full proposed admission arrangements for 2028/29 are available on the academy's website: <https://www.eastbridfordstpeters.co.uk/admissions>

All consultation information is also available on request from the academy office. We welcome views on the proposed admission arrangements.

Responses must be submitted by 12th November 2026.

How to respond:

- completing the online consultation response form: <https://forms.cloud.microsoft/e/5Rqm5c9BRm>
- Scan the QR code to access the online response form
- Contact the academy office: office@st-peters.notts.sch.uk

Who are we consulting?

The consultation is open to parents and carers, members of the local community and anyone with an interest in the proposed admission arrangements.

The Trust is consulting the relevant local authority, neighbouring schools and admission authorities, and other bodies required under the School Admissions Code.

We are consulting on a proposed reduction to the academy's Reception Published Admission Number (PAN) from 42 to 30 places from September 2028.

The proposal reflects current and projected pupil numbers and the academy's longer-term organisation, with fewer than 30 children typically entering Reception in recent years. Reducing the PAN would better align the school's planned capacity with the number of pupils we are realistically expecting, while supporting sustainable staffing, class organisation and use of resources.

The consultation does not change the school's admission criteria, and all views received will be considered before a final decision is made.

Thank you for your feedback
